

We've opened a new location: your kitchen

Access a skilled clinician via your smartphone, tablet or computer. Most visits last less than ten minutes and are only \$49, some insurance accepted, but not necessary.

MOBILE OR WEB; IT'S YOUR CHOICE

It's convenient, quick, and easy to access Connect Care on your smartphone or tablet via our mobile app for iPhone or Android. If you'd rather have a larger screen, you can log in, sign up, and see a clinician in minutes via the web. Register now at IntermountainConnectCare.org or download our mobile app.
