### *Crafting Club Scarf Drive*

Do you crochet, knit, sew or are you craftily inclined? If so, then we need your help making 300 scarves to add to the Young Mazda Cast a Spell on Homelessness backpacks for homeless teens. All we ask is that all scarves are around 6-8 inches wide and 60 inches long. We will attempt to hold social meetings where we can learn from each other and socialize while maintaining proper social distancing. Please take completed scarves to Britney Snell in the executive Offices at Young Chevrolet. We are asking all scarves be turned in by December 31<sup>st</sup>.

### *December 2020 Events*

JM&A Pantry Pack Event- December 3-5<sup>th</sup> at Truck and Trailers we will be assembling 4000 pantry packs for local kids and we are encouraging people to sign up to volunteer at:

<https://youngcaringforouryoung.org/2020-events/truck-and-trailers-pantry-pack>

You have three options available:

1. You can donate \$5.00 per kid for a weekend.
2. You can volunteer to help with set-up and sanitization. That schedule will be posted soon.
3. You can bring 9 of your friends or family and buy a 30 minute “assembly spot” You can apply a coupon code ycfoy20 at check-out if you can’t swing buying the spot.

The event is being structured to comply with health department guidelines and we are focusing on keeping everyone safe so gloves and masks are required at all times.

### *Hardship Grant Applications*

The Hardship Grant Application has been approved for distribution. We aim to provide support for our employees’ families who are experiencing hardship. We anticipate the primary distribution will be from GMs or Board Members and Advocates who identify those with real needs. Please feel free to reach out with any questions or for access to the application.

### *Air Fresheners*

Don’t forget our awesome new air fresheners that come in four different scents are available at any store location in the Parts Department for only a \$5 donation to YCFOY!! (Picture Left).
