

ELLA'S OUTDOOR MOVIE NIGHT

MEET THE STAR OF THE SHOW -ELLA TOLSON-

The world's sweetest 8-year-old girl who loves gymnastics, Taylor Swift, HER cat and adventures. Ella is a little ray of sunshine with a heart of gold and a love for life!

Earlier this year the Tolson family had their world turned upside down when Ella was diagnosed with Lymphoma. Since then, she has been bravely battling multiple surgeries, treatments and many hospital stays. As you can imagine this has not only taken a huge toll on sweet Ella but also on her amazing parents, Matt and Sarah. We are asking for your support to help make a difference in Ella's battle against lymphoma. No matter the amount, your contribution will go a long way in helping the Tolson's cover transportation costs to and from treatments, medical expenses and easing their financial stress during this difficult time.

Every dollar adds up, and when combined with the support of our community it becomes a powerful force of hope! You have an opportunity to be a part of Ella's journey toward healing and bringing her one step closer to a life where lymphoma no longer has a hold on her by making a donation today!

Thank you for being a source of love, hope and support to an amazing girl and her family! Your contribution will leave a lasting impact on them as they continue to move through this tough time. Let's all come together, All for Ella!
